

St. Petersburg College presents

The Gulf Oil Crisis

Pathways to Policy: The Future of Energy

Saturday, October 2, 2010 - 9:30 a.m. to Noon
SPC-Seminole Campus Digitorium (UP 160)
9200 113th Street North, Seminole

Free and Open to the Public

Please register at www.floridacleanenergy.biz

The Gulf oil spill crisis is no longer front page news and our attention turns to why we need energy alternatives, what those alternatives look like, and what policies must be in place to ensure that we reach energy independence efficiently and effectively.

9:30 a.m. Welcome and Opening by Dr. James Olliver, Provost, St. Petersburg College Seminole Campus

9:40 a.m. Panel Presentations (Introduction by Dan Berard, Seminole Chamber of Commerce)

WHY ENERGY ALTERNATIVES?

- **Dan Lashof** - Climate Center Director, National Resources Defense Council

THE FUTURE OF ENERGY

- **Dr. David A. Cartes** - Director, Institute for Energy Systems, Economics and Sustainability (IESES), Florida State University
- **Barry Moline** - Executive Director, Florida Municipal Electric Association

THE PATHWAY TO POLICY

- **Dale Brill** - President, Florida Chamber of Commerce Foundation

10:40 a.m. Panel Discussion – Moderated by Susan Glickman, Florida Business Network for a Clean Energy Economy

11:15 a.m. Questions & Answers

11:50 a.m. Closing Comments – Senator Dennis Jones and Representative Janet Long

Noon Adjournment
